

## [Lea and Garsdon CE Primary School Sports Premium Funding](#)

Information about sports premium funding for 2019/2020 can be found at [DfE](#).

### **Lea and Garsdon Funding income 2019/2020: £17,892**

At Lea and Garsdon School, we work with a number of external providers; Malmesbury Cluster Schools Partnership, Grassroots and other specialist sports coaches to provide high quality physical education provision for all children. We promote a learning environment that positively impacts on the children's health and well-being. This is achieved by providing opportunities to develop physical skills in a wide range of sporting activities. We offer free after school sports clubs two days a week and have had sporting specialists come in to work with the whole school in a variety of different areas (Zumba, hula hooping, fencing etc)

Sports Premium funding is spent primarily on staff professional development and training, play and sporting equipment and provision of extra-curricular clubs. In addition, funding provides opportunities for children to attend all-inclusive sporting events.

Children at Lea and Garsdon School take part in competitive sporting events across the Malmesbury partnership and beyond, in addition to in-house whole school events.
