

Lea and Garsdon Church of England Primary School

Collective Worship

Each day we have an act of Collective Worship which is based on Christian traditions. This is led by staff, members of the local community and our own Collective Worship Team which is made up from children throughout the school. We focus on our school values along with other Christian values and use the stories from the bible to help us explore these values and their importance.

We enjoy Collective Worship because we have the chance to:

- ✚ Take time in the busy day to stop and reflect.
- ✚ Hear exciting stories from God's special book, the Bible.
- ✚ Share stories and messages that help us to learn and grow.
- ✚ Take an active role.
- ✚ Learn more about God, Jesus and the Holy Spirit.
- ✚ Talk to God in prayer as a whole school and individually.
- ✚ Sing thoughtful, exciting, lively, quiet, meaningful songs.
- ✚ Reflect on what we have heard, seen and learnt.
- ✚ Consider how what we have heard might make a difference in our daily lives

Collective Worship makes us feel:

- ✚ I leave feeling at peace with the world.
- ✚ Collective Worship makes me smile.
- ✚ It helps me to think about how to live a happy life.
- ✚ It's a great start to the day.
- ✚ Collective Worship helps me to feel relaxed.
- ✚ You have chance to stop and think.
- ✚ I think about the difference I can make in the world.
- ✚ I feel loved.
- ✚ It makes me feel like I'm part of a big family.
