

Please find attached a '100 square' to support your child's learning. The New National Curriculum states that in Year 1 pupils should be taught to:

- count to and across 100, forwards and backwards, beginning with 0 or 1, or from any given number.
- count, read and write numbers to 100 in numerals; count in multiples of twos, fives and tens.
- given a number, identify one more and one less.

100 Square
