

R.E

Gospel

We will read stories from the Bible and recognise a link with the Gospel or 'Good News'. Explore how Jesus gives instructions to people about how to behave and how Christians should put these beliefs into practice in their own lives.

Salvation

We will learn about Holy week and Easter and recognise a link with the ideas of salvation. We will explore the idea of sadness and hope.

ART

Drawing and Collage (birds)

We will record from first-hand observation and experience. We will use a range of drawing tools, including charcoal, pencil and ink. We will use a range of collage materials to create beautiful birds – drawing from our research and observations as well as from our own imaginations.

DT

We will be designing and making a hot air balloon. We will be doing this through observing, drawing and annotating designs. We will also do this by exploring materials and techniques to cut, join, shape and finish our products.

PE

Multi-skills and Circuits

We will be 'circuit' training to develop fitness and skills. We will focus particularly on games and activities that develop hand-eye coordination, using equipment such as balls and hoops for throwing, catching, catching and aiming.

Music

We will listen to, sing and appraise songs. We will improvise, compose and use instruments.

Science

Animals (including humans)

We will identify, name, describe and compare animals, including fish, amphibians, reptiles, birds and mammals. We will group animals according to whether they are carnivores, herbivores or omnivores.

We will identify, name, draw and label the basic parts of the human body.

Get Moving!

Year

Terms
3 and 4
Spring Term
2022

Computing

Beebots and Recording Sounds

We will learn how to programme

Learning through play

We will have a 'Garage/ Mechanics/ Car Wash' in the outside area, as our role-play. Inside we will have a 'Travel Agents'.

We have a permanent construction area in the classroom with a range of construction equipment.

Games, jigsaws, playdough, a doll's house and small world toys will also be available.

Geography

A place outside Europe

We will explore geographical similarities and differences through studying the human and physical geography of Kenya.

History

The History of Flight

We will explore the lives of the Mongolfier Brothers and the Wright Brothers, and discover how these people have contributed to national and international achievements.

PSHE

Dreams and Goals and Healthy Me

We will talk about our dreams and goals and how we might overcome obstacles that might get in our way of achieving them. We will explore how to keep healthy in body and mind.
