

What do you see?

The children looked at the picture of the school and were asked, "What do you see?" Here are just some of their comments:

Happiness

Cheerfulness

A lovely place to be

Creation from God

Where God has placed us at this moment in time

Good friendships

Respect

A place to learn

Joy

The words 'kind and caring' as though they are written on the walls

Responsibility

A place of trust

It's like a temple, Jesus went to the temple to teach and to learn, we come here to learn

A well looked after church school.

A feeling that we are lucky to have an education

Somewhere where we are cared for and where we care for others

Teachers who have great knowledge

Somewhere welcoming

A big community

A place where I feel safe

A place with a smile!
